

Alcohol-Free Hand Sanitizing Foam Product # 282

Non-Flammable Antibacterial Formula

This foaming sanitizer features the active ingredient benzalkonium chloride for one-step sanitizing without the use of alcohol. It effectively kills germs and bacteria and prevents cross-contamination, while moisturizing and emollient agents are added to leave hands soft and smooth. The non-rinse formula cleans hands while killing bacteria and can be used in places where alcohol-based products are a safety risk.

Use Anywhere:

- Medical Offices
- Day Care Centers
- Health Clubs
- Nursing Homes
- Correctional Facilities
- Schools
- Hotels
- Restaurants
- Offices

Features and Benefits
