

WB Stainless Steel Polishing Wipes

Product # 1679

Cleans, Shines, and Polishes Surfaces in One Step

WB Stainless Steel Polishing Wipes are pre-moistened with a water based, streak-free formula designed for the daily cleaning appliances, stainless steel, and other metal surfaces. These powerful polishing wipes are specifically formulated to remove smudges, water stains, fingerprints, food spills, grease, and other residue while quickly drying to a streak free shine that lasts for days. These wipes also work on other types of metal including brass, silver, chrome, and copper.
